Holcim (Australia) Pty Ltd – A91377 – final determination

The Australian Competition and Consumer Commission (the ACCC) has issued a determination in respect of the application for authorisation lodged by Holcim (Australia) Pty Ltd on 19 June 2013.

Holcim is seeking re-authorisation to continue to operate its concrete cartage allocation system, which assigns Holcim affiliated concrete trucks to delivery jobs from Holcim's production plants in the Perth metropolitan region. The system is known as the Equal Opportunity of Trips system.

A copy of the ACCC's determination is attached.

For the reasons set out in its determination, the ACCC has decided to grant authorisation until 31 March 2019.

Application for review

Pursuant to section 101 of the *Competition and Consumer Act 2010*, a person dissatisfied with this determination may apply to the Australian Competition Tribunal for its review. An application for review must be made within 21 days of the date of this determination; that is, on or before 23 October 2013. If no application to review is lodged by this date, the ACCC's determination will come into force on 24 October 2013.

An application for review of the ACCC's determination should be lodged directly with the Australian Competition Tribunal (Tribunal). The Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia.

For further information about the process involved in reviewing decisions in the Tribunal please refer to the Tribunal's website located at <http://www.competitiontribunal.gov.au/>.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter please do not hesitate to contact Michael Drake on (03) 9658 6517 or at Michael.Drake@accc.gov.au.
