Dear Mr Tebbey

AgStewardship Australia Limited application for revocation of authorisation A91105 and substitution of new authorisation A91382 – request for material to be excluded from the public register

I refer to your client's application for re-authorisation, lodged with the Australian Competition and Consumer Commission (**ACCC**) on 27 August 2013.

I have considered your client's request that the agreement between your client and Agsafe Ltd (the **Agreement**) be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the **Act**) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the Agreement will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Megan Cunningham on (03) 9290 1856.

Yours sincerely

Dr Richard Chadwick
