Dear Ms Stanton

Notification N97122 lodged by Healthy Habits Franchising Pty Ltd—request for material to be excluded from the public register

I refer to your notification lodged with the Australian Competition and Consumer Commission (ACCC) on 25 November 2013. I have considered your request that Schedule B of the notification be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the Competition and Consumer Act 2010 (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that Schedule B will not be placed on the public register.

With respect to Schedule B, the ACCC will not disclose this information to any third parties, other than the ACCC's legal and economic advisors, without first obtaining your written consent or unless compelled to do so by law.

This letter will be placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Gavin Jones on (03) 9290 1475.

Yours sincerely
