Dear Ms Theodore

**Notification N97119 submitted by Sushi Sushi Franchising Pty Ltd –
request for material to be excluded from the public register**

I refer to your client's notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 25 November 2013.

I have considered the request on your client's behalf that the ACCC exclude from its public register the 'Restricted' version of your client's Form G and its Annexure A. I note that your client also submitted a Form G suitable for the public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the 'Restricted' Form G and its Annexure A will not be placed on the public register. This letter has been placed on the ACCC's public register. I note that you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any questions, please contact John Rouw on (03) 9290 1402.

Yours sincerely
