Dear Mr Zwaigof

**Third line forcing notifications N96212 and N96234 lodged by M2
Telecommunications Pty Ltd**

I refer to the above third line forcing notifications lodged with the Australian Competition and Consumer Commission (the ACCC) on 19 October 2012 and 2 November 2012. The notifications have been placed on the ACCC's public register.

Under N96212, M2 Telecommunications proposes to provide discounts and/or additional services to customers on condition that they are a member of the Real Estate Institute of the Northern Territory.

Under N96234, M2 Telecommunications proposes to provide discounts and/or additional services to customers on condition that they are a member of the Real Estate Institute of Queensland.

Legal protection conferred by N96212 commenced on 2 November 2012. Legal protection conferred by N96234 commenced on 16 November 2012.

On the basis of the information that you have provided it is not intended that further action be taken in these matters at this stage.

As with any notification, please note that the ACCC may act to remove the legal protection provided by the notifications at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment of the notifications has been made on the basis that M2 will disclose all relevant terms and conditions to prospective customers promptly. The ACCC expects M2 to inform REINT and REIQ members fully of all terms and conditions on which they can obtain benefits such as discounts and additional services from M2 without delay.

A copy of this letter has been placed on the ACCC's public register.

If you wish to discuss any aspect of this matter, please do not hesitate to contact Shane Chisholm on (02) 6243 1036.

Yours sincerely
