Dear Mr Holm

**Authorisation A91335 submitted by Narta International Pty Ltd – request for material to be excluded from the public register**

I refer to the submission regarding the above application for authorisation, which you provided to the Australian Competition and Consumer Commission (**the ACCC**) on behalf of Narta International Pty Ltd (**Narta**) on 26 March 2013 (**Narta's 26 March Confidential Submission**). I also refer to confidential data provided by Narta to the ACCC as part of Narta's 26 March Confidential Submission.

I have considered your request that Narta's 26 March Confidential Submission, including the data provided to the ACCC, be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (**the Act**) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that Narta's 26 March Confidential Submission, including the confidential data, will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that, on 11 April 2013, you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Jasmine Tan on 02 6243 1363.

Yours sincerely
