Dear Mr Farquar

**Authorisation A91367-A91375 submitted by Australasian Performing Right Association
Ltd –
request for material to be excluded from the public register**

I refer to your submission regarding the above application for revocation and substitution lodged with the Australian Competition and Consumer Commission (the ACCC) on 30 May 2013.

I have considered your request that the attachments to your submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the attachments to your submission will not be placed on the public register.

I note that you also provided a public version of your submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Tess Macrae on (03) 9290 1835.

Yours sincerely
