Dear Mr Scuderi

**Authorisation application submitted by CS Energy & Ors –  
request for material to be excluded from the public register**

I refer to the application for authorisation lodged on behalf of your clients, CS Energy Limited, Callide Energy Pty Ltd, IG Power (Callide) Limited and Callide Power Management Pty Limited (**the Applicants**), on 20 June 2013.

I have considered your request that sections of the Applicants' Submission in support of their application be excluded from the Australian Consumer and Competition Commission's (**ACCC's**) public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (**the Act**) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the relevant sections of the Submission.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant sections will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of the Applicants' submission. This version will be placed on the public register in the form it was provided to the ACCC on 25 June 2013.

Should you have any queries in relation to this matter, please do not hesitate to contact Hannah Ransom on (02) 6243 1255.

Yours sincerely
