Dear Imogen, Darrell and Mark

Thank you for your call this morning. I welcome your questions. As mentioned on the call, following communications between CIAL and Air New Zealand, our concerns about re-authorisation of the Virgin Australia/Air New Zealand alliance have been lessened and we are no longer opposing extension of the alliance.

In respect to this new view, I would be pleased if the ACCC can provide to CIAL for review, in advance of publication, any paragraphs that the ACCC intends to attribute to CIAL in their decision.

Finally, I will ask NZ if they are happy for that additional information provided to be past to the ACCC. Cheers and thank you again for your interest.

Kind regards

Matthew Findlay
