Dear Dr Starr

Third line forcing notifications lodged by Jasmin Solar - request for material to be excluded from the public register

I refer to your responses¹ to the Australian Competition and Consumer Commission's (the **ACCC**) requests for further information regarding notifications N96232 and N96653 (**Information Responses**).

I have considered your request that parts of Jasmin Solar's Information Responses be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the **Act**) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that parts of the Information Responses will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Megan Cunningham on (03) 9290 1856.

Yours sincerely

A handwritten signature in blue ink, appearing to be 'Richard Chadwick'.
