Dear Ms Coops

Third line forcing notification N97174 lodged by Symantec Asia Pacific Pte. Ltd

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 23 December 2013. The notification has been placed on the ACCC's public register.

Symantec Asia Pacific Pte. Ltd proposes to offer a free 24 month Norton Internet Security product to customers who acquire a Digital Office Plan from Telstra.

Legal protection conferred by the notification will commence on 6 January 2014.

On the basis of the information that you have provided it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the legal protection provided by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Symantec Asia Pacific Pte. Ltd and Telstra will disclose all relevant terms and conditions to prospective customers.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Tanya Hobbs on 02 6243 1029.

Yours sincerely
