Dear Mr Gay

**Authorisations A91419 – A91424 submitted by Tabcorp Wagering Manager (Vic) Pty Ltd & TAB Limited – request for material to be excluded from the public register**

I refer to your submissions of 16 July 2014 and 1 August 2014 providing further information in relation to the above applications for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 7 May 2014.

I have considered your request that the confidential versions of the submissions dated 16 July 2014 and 1 August 2014 (the confidential submissions) be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential submissions will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided public versions of the confidential submissions. These versions will be placed on the public register in the form they were provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Gina D'Ettorre on 03 9290 1483.

Yours sincerely
