Dear Mr Carter

**Authorisation A91433 submitted by Tooltechnic Systems (Aust) Pty Ltd –
request for material to be excluded from the public register**

I refer to your client's information responses provided to the Australian Competition
and Consumer Commission (the ACCC) on 15 August, 18 August and 22 August
2014.

I have considered your client's request that the confidential version of the information
response of the 22 August 2014 and the interim responses of 15 and 18 August 2014
be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition
and Consumer Act 2010* (the Act) to place documents provided to it in relation to an
application for authorisation on the ACCC's public register. The Act provides that a
person submitting a document in relation to an authorisation application may request
that the document or parts thereof be excluded from the public register by reason of
the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to
such a request, I advise that the confidential version of the information response will
not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your client's information response.
This version will be placed on the public register in the form it was provided to the
ACCC.

If you wish to discuss any aspect of this matter, please do not hesitate to contact
Darrell Channing on (02) 6243 4925, Tanya Hobbs on (02) 6243 1029 or Hien Le on
(02) 6243 1192, or adjudication@accc.gov.au.

Yours sincerely
