Dear Sir / Madam

Jewellers Association of Australia - Application for authorisation A91432 - draft determination

The Australian Competition and Consumer Commission (the ACCC) has issued a draft determination in respect of the application for authorisation lodged by the Jewellers Association of Australia (JAA) on 24 June 2014.

Please see the ACCC's publication [Authorisation process - the basics](#) for a summary of the authorisation process and how to make a submission to the ACCC.

The JAA is seeking authorisation for to establish a retail tenancy database to be used by current and future members. The Database will include de-identified information about the terms and conditions associated with commercial leases for retail tenancies entered into by members of the JAA.

Draft determination

A copy of the ACCC's draft determination and summary of its reasons is attached.

For the reasons set out in its draft determination, the ACCC proposes to grant authorisation for five years.

Next steps

Once the ACCC issues a draft determination, the Applicant or any interested party may make a written submission and/or request that the ACCC convene a 'pre-decision conference'.

If you wish to make a submission in response to the ACCC's draft determination, please lodge your submission by **13 October 2014**. Submissions should be emailed to adjudication@accc.gov.au with the subject "A91432 – Jewellers Association of Australia – submission".

A pre-decision conference provides the opportunity for interested parties to make oral submissions in relation to the draft determination. Conferences are conducted informally and while legal or professional advisers are able to attend they are not entitled to participate in the discussion.

If you wish the ACCC to hold a pre-decision conference in relation to the draft determination you must notify the ACCC in writing by **13 October 2014**.

The ACCC will consider any submissions it receives, including any oral submissions made should a pre-decision conference be called, and will then release a final determination in relation to these applications.

Submissions will be placed on the ACCC's public register subject to any request for exclusion. Please see the ACCC's publication [Guidelines for excluding information from the public register](#).

Timetable

The ACCC will continue to progress its assessment of the application in a timely manner. An updated indicative timetable is set out below for your information.

Indicative date	Stage in assessment process
24 June 2014	Lodgement of application and supporting submission.
27 June 2014	Public consultation process begins.

Yours sincerely
