Dear Sir/Madam

**Stanwell Corporation Limited & Diamantina Power Station Pty Ltd - applications for
authorisation A91448 & A91449 - interim authorisation decision**

The Australian Competition and Consumer Commission (the ACCC) has decided to grant interim authorisation in respect of the applications for authorisation lodged by Stanwell Corporation Limited and Diamantina Power Station Pty Ltd on 29 August 2014. A copy of the ACCC decision is attached.

Interim authorisation protects the arrangements for which authorisation is sought from legal action under the relevant provisions of the *Competition and Consumer Act 2010* while the ACCC considers and evaluates the merits of the application.

Next steps

For your information, the next step in the process is for the ACCC to release a draft determination which will take account of any submissions from the applicants and interested parties and will indicate the ACCC's preliminary views on the merits of the application. The ACCC will give both the applicants and interested parties the opportunity to provide a further submission on the draft determination before the ACCC issues its final decision.

As noted in the attached decision, the ACCC may review its decision on interim authorisation at any time. The ACCC's decision in relation to interim authorisation should not be taken to be indicative of whether or not final authorisation will be granted by the ACCC.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact me on 03 9290 1475.

Yours sincerely
