Dear Ms Hobbs,

Lottery Agents Qld Ltd ABN 70009670286

We refer to our application for an ACCC authorisation and request that the application be amended to enable LAQ to negotiate on a collective basis with all lottery licence holders in Queensland. This would cover the position should there be more than one licensee from 2016 when the current exclusive agreement expires.

If you have any questions please contact me.

Yours sincerely,

Tony Libke
Secretary
