Dear Sir / Madam

I refer to an email from Ms Anna Giannakos to me of 31 October 2014 regarding the WATAB Agents Association Incorporated application for authorisation A91463.

As the ACCC is aware, Racing and Wagering WA holds the licence to conduct wagering in Western Australia and is the target of the conduct sought to be authorised by the WATAB Agents Association.

Racing and Wagering WA does not have any objections to the ACCC granting authorisation to the WATAB Agents Association.
