Dear Mr Michael Drake,

This email is in regards to Lottery Agents Qld and our recent application for re-authorisation to collectively negotiate.

In our submission we are asking for a period of 5 years. Noting that in recent events the ACCC has granted the Victorian Newsagents Assoc a period of 10 years, and taking into consideration the similarities between the Victorian submission and the LAQ's , we would appreciate it if the ACCC would consider extending our term from a period of 5 years to 10 years.

Kind Regards

Troy Ross
