Dear Gina,

Thank you for your letter dated 10th April regarding The N.S.W Farmer NSSW Application – A91417.

Whilst there are a number of factual inaccuracies in their application so far as it applies to our company, would you please note that this company has no objections to your granting the dispensation sought by the association. We remain happy to negotiating existing contracts in accordance with their terms and negotiate future contracts with our growers either individually or jointly, with or without the N.S.W Farmers Association, as our growers prefer.

Yours Faithfully,

John Houston
