Dear Mr Leach

Third line forcing notification N97189 - N97191 lodged by Puma Energy (Australia) Holdings Pty Ltd, Neumann Petroleum Pty Limited, and Australian Fuel Distributors Pty Ltd (Puma)

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 8 January 2014. The notification has been placed on the ACCC’s public register.

The applicants are offering Puma petrol station operators the right to operate a convenience store from Puma's retail sites and the right to distribute petroleum products from those petrol station sites as Puma's agent on condition that the petrol station operator acquires credit facilities from "Approved Credit Providers".

Legal protection conferred by the notification will commence on 22 January 2014. On the basis of the information that you have provided it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the legal protection provided by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Puma will disclose all relevant terms and conditions to prospective customers.

A copy of this letter has been placed on the ACCC’s public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Anna Giannakos on (03) 9290 6920 or by email to anna.giannakos@accc.gov.au.

Yours sincerely
