Dear Mr Donaldson

Screen Producers Australia applications for authorisation A91484 & A91492 – draft determination

The Australian Competition and Consumer Commission (the ACCC) has issued a draft determination in respect of applications for authorisation A91484 and A91492 lodged by Screen Producers Australia on 23 March 2015 and 13 April 2015 respectively.

Draft determination

A copy of the ACCC's draft determination and summary of its reasons is attached. For the reasons set out in its draft determination, the ACCC proposes to grant authorisation for five years.

Next steps

Once the ACCC issues a draft determination, the Applicant or any interested party may make a written submission and/or request that the ACCC convene a 'pre-decision conference'.

If you wish to make a submission in response to the ACCC's draft determination, please lodge your submission by 31 July 2015.

A pre-decision conference provides the opportunity for interested parties to make oral submissions in relation to the draft determination. Conferences are conducted informally and while legal or professional advisers are able to attend they are not entitled to participate in the discussion.

If you wish the ACCC to hold a pre-decision conference in relation to the draft determination you must notify the ACCC in writing by 31 July 2015.

The ACCC will consider any submissions it receives, including any oral submissions made should a pre-decision conference be called, and will then release a final determination in relation to these applications.

Submissions will be placed on the ACCC's public register subject to any request for exclusion. Please see the ACCC's publication [Guidelines for excluding information from the public register](#).

Timetable

The ACCC will continue to progress its assessment of the application in a timely manner. An updated indicative timetable is set out below for your information.
