Dear Ms Walsh

Job Futures authorisation application – material to be excluded from the public register

I refer to Balga Job Link's submission lodged with the Australian Competition and Consumer Commission (ACCC) on 17 August 2015 and our conversation and emails with you since then.

The ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that the ACCC may exclude documents or parts of documents from the public register if it is satisfied that it is desirable to do so by reason of the confidential nature of the matters contained in the document or part of the document.

As a person authorised to make a decision for and on behalf of the ACCC in this regard, I advise that Balga Job Link's submission will be placed on the ACCC's public register redacted in the manner agreed with you.

This letter will be placed on the public register.

Should you have any questions, please contact John Rouw on (03) 9290 1402.

Yours sincerely
