Dear Ms Kam

**Job Futures re-authorisation applications A91493 A91494 –  
material to be excluded from the public register**

I refer to Job Futures Ltd's submission of 3 September 2015 to the Australian Competition and Consumer Commission (ACCC).

I have considered your request that the ACCC place on its public register a version of your submission with one paragraph on page 5 redacted.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the unredacted version of your submission will not be placed on the ACCC's public register. We will place the redacted public version of your submission on the register, with this letter.

Should you have any questions, please contact John Rouw on (03) 9290 1402.

Yours sincerely
