Dear Ms Daniels

ihail Pty Ltd (ihail) application for authorisation A91501 – request for material to be excluded from the public register

I refer to your submission dated 3 September 2015 regarding the above mentioned application for authorisation.

I have considered ihail's request that parts of the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant parts of the submission will not be placed on the public register.

I note that you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please contact Jaime Martin on (03) 9290 1477 (or at jaime.martin@accc.gov.au).

Yours sincerely
