Dear Mr Parker

**Job Futures authorisation applications A91493 and A91494
– material to be excluded from the public register**

I refer to Bridging the Gap's submission lodged with the Australian Competition and Consumer Commission (ACCC) on 2 September 2015 and our phone call with you on 9 September 2015.

The ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that the ACCC may exclude documents or parts of documents from the public register if it is satisfied that it is desirable to do so by reason of the confidential nature of the matters contained in the document or part of the document.

As a person authorised to make a decision for and on behalf of the ACCC in this regard, I advise that your submission will be placed on the ACCC's public register with the two graphs on page 3 excluded and all three attachments left off (being the 29 October 2014 email and the two print outs from the Conflict of Interest Register).

This letter will be placed on the public register.

Should you have any questions, please contact John Rouw on (03) 9290 1402.

Yours sincerely
