Dear Sir,

Refrigerant Reclaim Australia – Authorisation

The Federal Chamber of Automotive Industries (FCAI) is the peak industry body for the manufacturers and importers of passenger motor vehicles, light commercials and motor cycles in Australia. Our membership covers the vast majority of the brands represented in the Australian market and can be viewed on our website at www.fcai.com.au.

FCAI received a notification from the ACCC regarding the request from Refrigerant Reclaim Australia Limited for revocation and substitution of their Authorisation. FCAI has sought advice from members and that advice is that we have no issue with a new authorisation along the lines of that already in existence.

Please feel free to contact me on 02 6229 8217 if you have any questions on the above.

Yours faithfully,

Tony McDonald

Director, Industry Operations
