Dear Ms Crosbie

Application for revocation of authorisations A91316- A91320 and substitution of new authorisations A91436-A91440 submitted by Medicines Australia Limited – request for material to be excluded from the public register

I refer to your recent submission regarding the above application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 2 July 2014.

I have considered Medicines Australia's request that Annexures 1 to 6 of the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant Annexures will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Tess Macrae on 03 9290 1835.

Yours sincerely
