Dear Ms Sexton

Clean Energy Council Limited application for revocation and substitution of A91365 & A91366 – request for material to be excluded from the public register

I refer to Clean Energy Council Limited's (CEC) application of 17 April 2015 for revocation and substitution of authorisations A91365 and A91366, and CEC's request that the following supporting documents provided with the application be excluded from the ACCC's public register:

- Appendix 2 – Contact details of signatories to the Code, and
 - Appendix 4 – Code of Conduct Finances
- (collectively, the Confidential Appendices).

I have considered CEC's request that the Confidential Appendices be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the Confidential Appendices will not be placed on the public register.

This letter will be placed on the ACCC's public register. Apart from the exclusion of the Confidential Appendices, CEC's application and supporting documents will be placed on the public register in the form they were provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Georgina Brett on (03) 9658 6439.

Yours sincerely
