Dear Mr Chadwick,

Application for Revocation and Substitution and Request for Interim Authorisation

We refer to the Application for Revocation and Substitution for Job Futures Limited ('Job Futures') for Authorisations A91084 and A91085 which expire 30 June 2015.

Settlement Services International ("SSI") has greatly benefited from being a part of the membership of Job Futures and seek to support the above mentioned Job Futures Limited application. As a result of Job Futures collective tendering model and having been awarded business under the Government's employment services 2015-2020 contract, SSI will be subcontracted by Job Futures to carry out delivery of the contracted services within the Sydney East area. This in turn will provide SSI with an opportunity to impact the Culturally and Linguistically Diverse Communities within the area.

An interim authorisation will allow Job Futures to issue a subcontract agreement to SSI in preparation for service delivery which commences on 1 July 2015.

We look forward to Job Futures receiving a favourable outcome. If you have any questions, please feel free to call me.

Yours Sincerely,

Violet Roumeliotis
