Dear Ms Bavington

Job Futures – applications for authorisation A91493 & A91494 – material to be excluded from the public register

I refer to Marillac's submission dated 4 May 2015 with regard to the above listed applications for authorisation.

I have considered your request that the ACCC exclude from its public register the unredacted version of your submission; and place on its public register a redacted version.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential document will not be placed on the public register.

The redacted version of your submission and this letter will be placed on the ACCC's public register.

Should you have any questions about this matter, please contact John Rouw on (03) 9290 1402.

Yours sincerely
