Dear Ms Daniels

**Authorisation A91501 submitted by ihail Pty Ltd–  
request for material to be excluded from the public register**

I refer to your application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 26 May 2015.

I have considered your company's request that the confidential version of ihail's submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the supporting documents will not be placed on the public register.

I note that you also provided a public version of your client's submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Natalie Plumridge on 03 9658 6523.

Yours sincerely

Dr Richard Chadwick
