Dear Mr Reynolds

**Screen Producers Australia applications for authorisation – request for material to be excluded from the public register**

I refer to Seven West Media Limited's (Seven) submission of 26 June 2015 in relation to the above listed applications for authorisation (the confidential submission).

I have considered your request that the confidential submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential submission will not be placed on the public register.

This letter will be placed on the ACCC's public register.

I note that you also provided a public version of the submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Georgina Brett on (03) 9658 6439.

Yours sincerely
