Dear Gavin,

Thank you for the opportunity to provide a submission on the Association of Superannuation Funds of Australia (ASFA) application on behalf of the Gateway Network Governance Body (GNGB) for the purposes of taking stewardship arrangements for the Superannuation Transaction Network (STN) from the ATO.

The Financial Planning Association of Australia (FPA) have reviewed the materials provided as part of the application and have no objection to the application being made. We are therefore in support of both the interim and full authorisations being applied for.

If you have any questions or require further information, please feel free to get in touch with me.

Regards

Ben
