Dear James

**Notifications N99117 and N99118 submitted by Port of Townsville Limited & Far North Queensland Ports Corporation Limited - request for material to be excluded from the public register**

I refer to Port of Townsville Limited's response (on behalf of itself and Far North Queensland Ports Corporation Limited) to the ACCC's information request of 13 September 2016 regarding the above notifications lodged with the Australian Competition and Consumer Commission (the ACCC) on 25 May 2016.

I have considered your request that your response to question 1 be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the response will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Kabita Prasad on (02) 6243 1187.

Yours sincerely

Baethan Mullen
