Dear Mr Fitzpatrick

**Authorisation A91520 lodged by Council Solutions & Ors - request for material to be excluded from the public register**

I refer to the submission by Waste & Recycling Association of South Australia Inc (WRASA) dated 19 August 2016 in relation to the above application for Authorisation.

I have considered your request that the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an application for authorisation may request that the document or part of the document be excluded from the public register by reason of the nature of certain information contained in the document or part of the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the submission has been excluded from the public register.

I note that you provided a public version of the submission to the ACCC on 16 September 2016. This version will be placed on the public register in the form provided to the ACCC.

This letter will be placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Elizabeth Batten on (02) 6243 1359.

Yours sincerely
