Dear Ms Chapman

Authorisation A91560-A91562 submitted by NPP Australia Limited – request for material to be excluded from the public register

I refer to your application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 18 October 2016.

I have considered your request that the confidential version of the NPP Regulations (*FINAL DRAFT NPP Regulations_Version 0.6_17 Oct 2016*) be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of the NPP Regulations will not be placed on the public register.

I note that you also provided a public version of the NPP Regulations (*FINAL DRAFT NPP Regulations_Version 0.6_17 Oct 2016_redacted version*). This version will be placed on the public register in the form it was provided to the ACCC. This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Saraj Bhullar on (03) 9290 1941.

Yours sincerely
