Subject: TRIM: RE: ASIC response to FBAA submissions A91554 & A91555

Good afternoon,

Thank you for the opportunity to comment on the FBAA submission dated 25 October 2016.

We believe the amended Code of Conduct adequately address our concerns outlined on our submission on 29 September 2016. The obligations contained in FBAA Code of Conduct now align more closely with those of the National Credit Act (and removes the previous inconsistencies with the legislation).

Regards
