Dear sir/madam

North East Waste and Resource Recovery (NEWRRG) application for authorisation A91551 - draft determination

The Australian Competition and Consumer Commission (the ACCC) has issued a draft determination in respect of the application for authorisation lodged by [applicant] on [date].

Please see the [ACCC website](#) for a summary of the authorisation process and further information on how to make a submission to the ACCC.

NEWRRG is seeking authorisation for joint procurement of waste and resource recovery services and equipment.

Draft determination

A copy of the ACCC's draft determination and summary of its reasons is attached.

For the reasons set out in its draft determination, the ACCC proposes to grant authorisation for 11 years.

Next steps

Once the ACCC issues a draft determination, the Applicant or any interested party may make a written submission and/or request that the ACCC convene a 'pre-decision conference'.

If you wish to make a submission in response to the ACCC's draft determination, please lodge your submission by **13 January 2017**. Submissions should be emailed to adjudication@acc.gov.au with the subject "A91551 –North East Waste and Resource Recovery – submission".

A pre-decision conference provides the opportunity for interested parties to make oral submissions in relation to the draft determination. Conferences are conducted informally and while legal or professional advisers are able to attend they are not entitled to participate in the discussion.

If you wish the ACCC to hold a pre-decision conference in relation to the draft determination you must notify the ACCC in writing by **13 January 2017**.

The ACCC will consider any submissions it receives, including any oral submissions made should a pre-decision conference be called, and will then release a final determination in relation to these applications.

Submissions will be placed on the ACCC's public register subject to any request for exclusion. Please see the ACCC's publication [Guidelines for excluding information from the public register](#).

Timetable

The ACCC will continue to progress its assessment of the application in a timely manner. An updated indicative timetable is set out below for your information.

Indicative date	Stage in assessment process
31 August 2016	Lodgement of application and supporting submission.
12 September 2016	Public consultation process begins.
12 December 2016	Draft determination.
13 January 2017	Public consultation on draft determination including any conference if called.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter please do not hesitate to contact Kathryn Burela on (03) 9290 1474 or adjudication@acc.gov.au.

Yours sincerely
