Dear Mr Spear

**Tyre Stewardship Australia – compliance with Australian Tyre Industry Council  
authorisation A91336-A91337 – request for update**

I refer to the ACCC's letter of 20 October 2016 which agreed to an extension for Tyre Stewardship Australia (TSA) to publish its 2015/2016 Annual Report, in compliance with condition C1 of authorisation A91336-A91337. The ACCC asked to receive a copy of the Annual Report by 18 November 2016.

Broadly, condition C1 requires the TSA to publish an annual report, which includes specific reporting obligations on the operation of the national Tyre Stewardship Scheme (the Scheme), to be published on its website by 30 September.

I note that TSA's 2015/2016 Annual Report has now been published on its website at the following link: <http://www.tyrestewardship.org.au/about-tsa/annual-report>. The Annual Report includes a section which reports against key performance indicators of the Scheme, in compliance with condition C1 of the ACCC's authorisation.

Further, November 2016 was also the deadline for TSA to commence the independent review of the Scheme (under condition C2). The ACCC would appreciate receiving a written update about this process which can be placed on the public register for this matter.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please contact Jaime Martin on (03) 9290 1477 (or at [jaime.martin@accc.gov.au](mailto:jaime.martin@accc.gov.au)) or David Hatfield on (02) 6243 1266 (or at [david.hatfield@accc.gov.au](mailto:david.hatfield@accc.gov.au)).

Yours sincerely
