Dear Ms Hartley

Applications for authorisation A91565 & A91566 from The Global Tote Ltd - request for material to be excluded from the public register

I refer to your submissions regarding the above applications for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 14 December 2016.

I have considered your client's request that the confidential version of the submissions, attached to each of the Form A and B, be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request I advise that the confidential version of your client's submissions will not be placed on the public register.

With respect to the information described above that your client seeks to have excluded from the public register, the ACCC will not disclose this information to any third parties, other than the ACCC's legal and economic advisors, without first obtaining your written consent or unless compelled to do so by law.

You also provided a public version of your client's submissions. These versions will be placed on the public register in the form they were provided to the ACCC. This letter will also be placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Anna Giannakos on (03) 9290 6920 or Tess Macrae on (03) 9290 1835.

Yours sincerely
