Dear Lisa

Notification N98928 submitted by United Energy Distribution Pty Ltd — request for material to be excluded from the public register

I refer to your submissions of 2 March 2016 and 23 March 2016 regarding the above notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 22 February 2016.

I have considered your request that part of your correspondence be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the correspondence.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant part of your correspondence will not be placed on the public register.

I note that you also provided a public version of your 2 March 2016 correspondence. This version will be placed on the public register in the form it was provided to the ACCC.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Ganesh Jegatheesan on (03) 9290 1424.

Yours sincerely
