Subject: A91520 - Council Solutions - Extension of timeframe for ACCC to release final determination until 23 December 2016 [SEC=UNCLASSIFIED]

Good morning

The ACCC has decided to extend the statutory timeframe for release of a final determination in this matter until **23 December 2016**.

This follows a request by Council Solutions for an extension of time to provide a written submission to the ACCC until **30 May 2016**. Council Solutions has indicated that it will also use the extended timeframe to consult further with industry participants about the proposed arrangements.

You should note that although the statutory timeframe has been extended until December, the ACCC will continue to progress its assessment of the application for authorisation in a timely manner.

This email will be placed on the ACCC public register. Please feel free to contact me if you have any questions.

Kind regards

Liz
