Dear Mr Bennett

**Refrigerant Reclaim Australia – application A91515 for revocation and substitution of authorisation – determination**

The Australian Competition and Consumer Commission (the ACCC) has issued a determination granting conditional re-authorisation to Refrigerant Reclaim Australia Ltd and others to continue to operate a scheme to recover ozone-depleting and synthetic-greenhouse-gas refrigerants. Re-authorisation is subject to conditions that RRA continue to publish certain information about its effectiveness on its website.

The ACCC re-authorises the conduct for a further five years, until 28 May 2021. A copy of the ACCC's determination is **attached**.

**Application for review**

Pursuant to section 101 of the *Competition and Consumer Act 2010*, a person dissatisfied with this determination may apply to the Australian Competition Tribunal (the Tribunal) for a review of the determination. An application for review must be made within 21 days of the date of this determination; that is, on or before 27 May 2016. If no application for a review is lodged by this date, the ACCC's determination will come into force on 28 May 2016.

An application for a review of the ACCC's determination should be lodged directly with the Tribunal. The Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia.

For further information about the Tribunal's process to hear applications for review of ACCC determinations please refer to the Tribunal's website at [www.competitiontribunal.gov.au](http://www.competitiontribunal.gov.au).

This letter has been placed on the ACCC's public register. If you wish to discuss this matter, please contact John Rouw on (03) 9290 1402 or through [adjudication@accc.gov.au](mailto:adjudication@accc.gov.au)

Yours sincerely
