Dear Ms Downes

**A91587 – Independent Cinemas Australia application for authorisation – Confidential submission by Twentieth Century Fox Film Distributors Pty Ltd - Request for material to be excluded from the public register**

I refer to the confidential submission by Twentieth Century Fox Film Distributors Pty Ltd, sent to the Australian Competition and Consumer Commission (ACCC) on 31 July 2017 by Allens Linklaters.

I have considered your request that the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant document will not be placed on the ACCC's public register.

I note that you also provided a public version of your client's submission. This version will be placed on the public register in the form it was provided to the ACCC.

This letter will be placed on the public register.

If you have any queries in relation to this matter, please do not hesitate to contact Simon Bell on 02 6243 1232.

Yours sincerely
