Dear Sir / Madam

**eRx Script Exchange Pty Ltd (eRx) application for authorisation A91579 –
final determination**

The Australian Competition and Consumer Commission (the ACCC) has issued a determination in respect of the application for authorisation lodged by eRx on 28 April 2017.

eRx sought authorisation to continue a revenue sharing arrangement with IP MDS Pty Ltd (formerly MediSecure Pty Ltd) to facilitate the interoperability between the parties' electronic pharmaceutical prescription exchange systems.

A copy of the ACCC's determination is attached. For the reasons set out in its determination, the ACCC has decided to grant authorisation until 30 June 2020.

Application for review

Pursuant to section 101 of the *Competition and Consumer Act 2010*, a person dissatisfied with this determination may apply to the Australian Competition Tribunal for its review. An application for review must be made within 21 days of the date of this determination; that is, on or before 18 October 2017. If no application for a review is lodged by this date, the ACCC's determination will come into force on 19 October 2017.

An application for a review of the ACCC's determination should be lodged directly with the Tribunal. The Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia (see www.competitiontribunal.gov.au).

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter please contact Jaime Martin on (03) 9290 1477.

Yours sincerely

David Hatfield
Director
