Subject: AHA APPLICATION FOR COLLECTIVE BOYCOTT OF DC PAYMENTS A91574

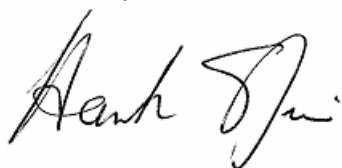

Dear Mr Jones,

The AHA and DC Payments P/L have come to a mutually satisfactory agreement in relation to the supply of ATM's to AHA members.

As a result the AHA proposes to **withdraw** the current application before the ACCC.

Should the agreement between the AHA and DC Payments break down the AHA will consider re applying to the ACCC along the lines of application A91574.

Yours truly,
