Dear Sir/Madam

The Global Tote Limited – Authorisation Applications A91565 & A91566

As discussed, this letter is to confirm that due to a change in the business model of our client since we lodged the above applications, those applications for authorisation are no longer necessary and our client wishes to withdraw those applications, effective today. If our client requires authorisation of any aspect of its changed business model after this date, it will approach the Commission at that time. We would like to thank you for your work on these applications to date.

Yours faithfully

Laura Hartley
