Dear Mr Hesse

**Application for authorisation (A91579) lodged by eRx Script Exchange Pty Ltd —
request for material to be excluded from the public register**

I refer to the application for authorisation lodged by eRx Script Exchange Pty Ltd (eRx) with the Australian Competition and Consumer Commission (the ACCC) on 28 April 2017.

I have considered eRx's request that Annexure A (other than Clause 14) to the application be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that Annexure A will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of Annexure A. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please contact Ms Jaime Martin on (03) 9290 1477 (or at jaime.martin@accc.gov.au).

Yours sincerely
