Dear Mr Hunt

Homemakers South Ltd application for revocation of authorisation A91284 and substitution of new authorisation A91570 – request for material to be excluded from the public register

I refer to your application for revocation and substitution lodged with the Australian Competition and Consumer Commission (the ACCC) on 12 January 2017.

I have considered your company's request that some of the supporting documents to Homemakers' application for revocation and substitution be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for the revocation of authorisation and the substitution of a new authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to such an application may request that documents be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant documents will be excluded from the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your application. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Fei Wu on (03) 9290 1987.

Yours sincerely

David Jones
