Dear Mr Cantelo

Exclusive dealing notification N99583 lodged by Professional Compounding Chemists of Australia Pty Ltd

I refer to the above exclusive dealing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 24 February 2017.

Professional Compounding Chemists of Australia Pty Ltd (PCCA) proposed to offer customers an exclusive membership contract with PCCA to obtain access to substantially discounted products and other benefits such as training and technical support on condition that members purchase all their compounding equipment and devices, galenicals/pharmaceutical ingredients, supplies, educational materials and services from PCCA, unless PCCA is unable to supply that product or service.

On the basis of the information that you have provided we do not intend to take further action on this matter at this stage.

If at any time circumstances change, or the ACCC receives further information, such that it is satisfied that the public benefits from the conduct do not outweigh the public detriments, the ACCC may remove the protection provided by the notification.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Simon Bell on 02 6243 1232.

Yours sincerely

David Jones
